

Your Package Explained

Everything you need to know about your Sorted. package

Thank you for choosing a Sorted. package.

Our packages are designed to provide flexible, reliable support that fits around your lifestyle. This guide explains how your package works and what you can expect from us.

How Your Package Works

Your package provides you with a set number of support hours each month.

These hours can be used across any of the services included within your chosen package, allowing you to tailor our support to your changing needs.

One week you may need help with shopping and errands, while the next you may need assistance with paperwork, home organisation or waiting in for a delivery.

We're here to provide practical support that works for you.

What's Included?

Depending on your chosen package, your hours may be used for services such as:

- Shopping and errands.
- Home organisation.
- Decluttering.
- Waiting in for tradespeople or deliveries.
- Household administration.
- Prescription collection.
- Dog walking and pet visits.
- Meal preparation.
- Transport to appointments (where agreed).
- Holiday home checks.
- General home and lifestyle support.

Some specialist or additional services may be subject to separate charges. We'll always discuss this with you beforehand.

Booking Your Time

Booking support is simple.

You can contact us by:

- Telephone.
- Email.
- WhatsApp.

Whenever possible, we recommend giving at least **48 hours' notice** so we can offer you the widest choice of appointment times.

Where availability allows, we'll always do our best to accommodate short-notice requests.

Regular Visits

Many clients prefer regular weekly or fortnightly visits.

This helps create a routine and ensures ongoing tasks are completed consistently.

If you have a regular appointment, we'll reserve that time for you wherever possible.

Changing a Booking

Plans change, and we understand that.

If you need to rearrange a visit, please let us know as soon as possible.

We'll always do our best to find another suitable appointment.

Please refer to our Cancellation & Refund Policy for details of any cancellation notice requirements.

Additional Hours

If you need extra support beyond your included package hours, additional time may be available.

Additional hours will be charged at our current hourly rate and must be agreed in advance.

We'll always let you know the cost before carrying out any additional work.

Package Reviews

Your needs may change over time.

We'll periodically review your package with you to ensure you're receiving the right level of support.

If you ever feel you'd benefit from more or fewer hours, we'd be happy to discuss the options available.

What Happens if I Don't Use All My Hours?

Any unused hours will be managed in accordance with your Package Agreement and Terms & Conditions.

If your package allows unused hours to roll over, we'll let you know how many hours remain available.

Where rollover isn't available, unused hours will expire at the end of the relevant period.

If you're ever unsure, please ask—we're always happy to explain.

Emergencies and Urgent Requests

We understand that unexpected situations arise.

While we can't guarantee immediate availability, we'll always do our best to assist with urgent requests wherever our schedule allows.

Communication

Good communication helps us provide the best possible service.

If your needs change, you're expecting a delivery, or you'd like us to prioritise a particular task, simply let us know.

The more information we have, the better we can tailor our support to your needs.

Our Promise

When you book time with Sorted., you're not simply purchasing hours.

You're investing in peace of mind.

Every visit is delivered with professionalism, reliability and genuine care, with the aim of making your everyday life easier.
