

Our Values

The principles behind everything we do.

At Sorted., our values aren't just words on a page—they're the standards we hold ourselves to every day.

They guide how we communicate, how we work and how we care for your home.

When you invite us into your life, you should know exactly what you can expect from us.

Trust

Trust is something we earn.

We understand that asking someone to help in your home is a personal decision. That's why we work hard to build confidence through honesty, reliability and consistency.

You can expect us to:

- Respect your privacy.
- Treat your home with care.
- Handle your information confidentially.
- Be honest and transparent.
- Always act with integrity.

Reliability

You should never have to wonder whether we'll turn up or whether a job has been completed.

When we make a commitment, we keep it.

You can expect us to:

- Arrive when agreed.
- Keep appointments.
- Communicate if plans need to change.
- Complete tasks to a high standard.
- Follow through on what we've promised.

Respect

Every home is different.

Every client is different.

We respect both.

We'll always:

- Listen to your preferences.

- Respect your routines.
 - Care for your belongings.
 - Leave your home as we found it—or better.
 - Treat everyone with courtesy and kindness.
-

Professionalism

Professionalism isn't just about wearing a uniform.

It's about the way we communicate, the way we work and the pride we take in every task.

You'll receive:

- Friendly communication.
 - Clear pricing.
 - Honest advice.
 - Smart presentation.
 - A consistently high standard of service.
-

Care

We genuinely care about making life easier for our clients.

Whether we're collecting shopping, organising paperwork or waiting in for a delivery, every task matters because it matters to you.

We believe no job is too small when it helps improve someone's day.

Confidentiality

Many clients trust us with personal information, house keys and access to their homes.

We take that responsibility seriously.

Your privacy will always be respected, and any information you share with us will be handled securely and professionally.

Flexibility

Life changes, and so do your needs.

That's why our support is designed to be flexible.

Whether you need a little extra help one week or would like to change your package in the future, we'll always do our best to accommodate you.

Attention to Detail

It's often the smallest things that make the biggest difference.

We take pride in noticing the details that others may overlook.

From carefully putting away your shopping to making sure paperwork is neatly organised, we believe thoughtful service creates peace of mind.

Kindness

A warm smile.

A friendly conversation.

A willingness to help.

Kindness is at the heart of everything we do.

We aim to leave every client feeling supported, respected and valued.

Every time you choose Sorted., we promise to:

- Be professional.
- Be dependable.
